Bishop

Grutka

Bishop Andrew G. Grutka of the Diocese of Gary was born in Joliet, Illinois in 1908. He received his early education there, afterward spending considerable time at work in the local steel mills. He later entered Saint Procopius Seminary in Lisle, Illinois with a desire to enter the priesthood. He completed his studies at the North American College in Rome, and was ordained there on December 5, 1933.

His consecration in February of 1957 also marked the birth of the Gary Diocese. He has, since that time, wholeheartedly devoted himself to insuring its growth and prosperity. The first years of his reign have been marked by a filial affection and active interest in the youth of the diocese. Among the visible signs of this devotion and interest is Camp Lawrence, established with the co-operation of diocesan groups for the summer occupation and recreation of the boys and girls of the diocese. A further example is the recently completed Andrean High School, built in an effort to satisfy the desire for education on the part of the youth of the diocese. Proposed plans, however, for the expansion and development of Bishop Noll High School, constitute the greatest of his Excellency's many contributions to date.

Although Bishop Grutka has, in less than five years as head of the Diocese of Gary, been able to provide more than adequately for the material needs of his people, in the manner of schools and the like, it is rather the soundness and sincerity of his spiritual leadership which has endeared him to both young and old alike.

Bishop Noll

The late John F. Noll, D.D., Archbishop of the Diocese of Fort Wayne and benefactor of this school, was born in Fort Wayne in 1875. He was educated at Saint Lawrence College and was ordained in 1898. He received his L.L.D. from Notre Dame in 1917 and was consecrated Bishop of Fort Wayne in 1925. Among the many dutiful organs of the diocese which he originated were the Legion of Decency, The National Organization of Decent Literature, and the *Our Sunday Visitor*.

The *Our Sunday Visitor*, a Catholic weekly not only in this diocese but in many throughout the country, was started humbly in 1912 at Huntington, its present center. For this and other contributions to the Catholic Press of the country he was nicknamed the "printing-press Bishop."

The late Archbishop proved instrumental in the founding of Catholic Central High School when, invisioning the future which this area held and, at the same time, realizing its need, he purchased the land at the present site of the school. It was also through his financial assistance that an eighteen room addition was erected in 1947.

His death on July 31, 1956, terminated a life dutifully spent in the cause of Christian ideals. We, the students of Bishop Noll High School, are only a few of the recipients of the aid and affection which he lavished on the youth of the diocese. Now as Bishop Noll High School is about to enter into a new phase of development, we must remember that without the foresight and vision of this man, our school could not attain the height to which it now reaches.

Principal

With his appointment to the position of principal early this year, Father Zimmerman assumed the responsibility of preserving that quality of leadership which has long been characteristic of his predecessors and consequently fundamental in the growth which Bishop Noll High School has thus far achieved.

The success with which this challenge has been met is evident in the continued satisfaction of students and faculty alike, and is due, in some part at least, to the fact that, far from being new on the scene, Father Zimmerman has for some time enjoyed an important role in the development of Bishop Noll High School as it is known today.

Our principal's first contact with the school, then Catholic Central High School, was as a student, pursuing his secondary education. Following his graduation in 1936 he entered the seminary, where an additional nine years of study were climaxed by his ordination in 1945.

Father was initially assigned to Catholic Central High School, where teaching chores in both religion and Latin awaited him. Appointment to the position of Faculty Athletic Director in 1948 and Procurator in 1957 was responsible for at first partial and later complete abandonment of his functions as a classroom teacher.

Father's latest advancement, though recognized as the greatest personal honor ever accorded him, is typical of past achievements in that it was accomplished in the service of this institution and its students.

Co-

Principal

Now in her sixth year as co-principal, Sister Cecile Marie has, since 1956, worked effectively in association with three outstanding leaders of Bishop Noll High School, aiding them in the maintenance of those ideals upon which this institution was founded and continues to function.

Prior to assuming her present duties, Sister served with distinction in several administrative capacities, among them the principalships of St. John's Grammar School, Peoria, Illinois; St. Mary's Academy, South Bend, Indiana; and Schlarman High School, Danville, Illinois. Sister's achievements in administrative pursuits are surpassed only in her dealings with individual student problems. The sincerity of interest and swiftness of action with which she applies herself in these situations is responsible, in great part, for her many successes. It is in this regard that she is best known and appreciated by Nollites.

Sister seems bound to the blue and gold —of Natre Dame as well as of Bishop Noll. Born in the shadow of the Golden Dome, she attended St. Joseph's Academy in South Bend, received her B.A. from St. Mary's College, and her M.A. from Notre Dame. The spirit of Natre Dame which has, understandably, been a prevailing force throughout Sister's life is to be found, in some degree, here at Noll, for Sister has expressed love for the universal attitude of co-operation and enthusiasm displayed by the student body. More than this, she is drawn by their "liveliness and loveliness."

May God grant you
all blessings
Sister Cecile Marie

An Old Friend

On the morning of January tenth, as the cold hand of winter touched heavily on the Calumet Region, a fire struck our campus. Our gymnasium building with the athletic and band equipment and classroom facilities burned to the ground — an estimated loss of \$350,000.00. How fortunate we were that school had been dismissed the evening before due to the extreme cold.

It was sub-zero cold in which the firemen of Hammond and East Chicago fought.

Mrs. Hronsky of the Noll Mother's Club and Sister M. Francis Catherine, with the help of some Nollites who arrived on the scene early, served coffee, soup, sandwiches and doughnuts to the trembling, ice-crusted fire fighters. Though the 37 year old gym will no longer serve us as an auditorium, chapel and gymnasium, it will be remembered in its absence as an old friend that served us well.

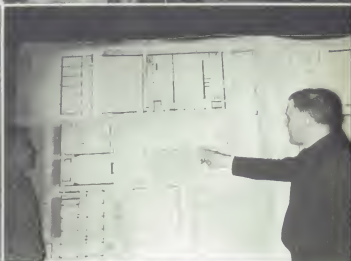

Transition

The need for improved facilities becomes increasingly apparent as each new class becomes larger than the previous one. In order that this deluge doesn't curtail the traditional Nall acceptance of all-camers, the diocese has begun a vast expansion program.

The architects, Bachman and Bertram of Hammand, have been working with Bishop Grutka and Brothers Philip and Damian of the Christian Brothers on this complex project.

The facilities will include an educational wing with 50 new classrooms, expanded science labs, language and arts departments, shop facilities, library administration section, cafeteria, vocal and instrumental music departments, convent and brothers' faculty residence. The recreational wing will contain a swimming pool, boys' and girls' gymnasium, meeting rooms, bowling alleys, auditorium, snack room, lounge and crafts shops.

The project's cost, which will be well over 3 million dollars, will give us a product well worth the price paid and will be a tribute to the sacrifices of the people of our diocese.

Women's Club

The Bishop Noll Mother's Club, established in 1934, has always held a prominent place in our school activities. Following their motto, "For God, Our Home, Our Sons and Daughters," they have been largely successful in creating an attitude of mutual co-operation among student, parent, and faculty groups.

Their activities have helped to make each year a success. Numbered among these activities are card parties, raffles, the annual pantry shower for the Sisters, and the Senior Baccalaureate Breakfast.

Mrs. Hronsky has ably directed the club throughout the past year.

Men's Club

Now in its twenty-fifth year the Bishop Noll Men's Club, founded by Father Conway, continues to support the advancement of social and athletic activities. A closer relationship between parents, teachers, and students has been achieved through their efforts.

Membership is not limited to parents but is open to any man interested in Bishop Noll High School and its students.

The Thanksgiving Turkey Bingo and the Easter Ham Bingo, the Smoker, the Athletic Banquet, and in more recent years the Pancake Breakfast have been successfully sponsored by the Men's Club.

Joint meetings of the Men's and Mother's Club are held periodically in an effort to co-ordinate the activities of these groups.

PHYLLIS BRYZGALSKI

JOHN ZIVICH

Valedictorian Salutatorian

Selected on the basis of honor points earned over a seven semester period, John Zivich and Phyllis Bryzgalski represent the class of 1962 in their respective roles as valedictorian and salutatorian.

Interested primarily in mathematics and the sciences, John has attained his lofty position largely on the strength of consistently superior achievements in these fields. He has expressed a desire to attend either St. Mary's College of Winona, or the University of Rochester, where, as a winner of the Bausch-Lomb science award, he may become the recipient of a substantial scholarship.

Likewise following a schedule strong in mathematics and the sciences, Phyllis has achieved the runner-up position only through her mastery of these subjects. She has proven an outstanding student of English as well, winning a regional award in statewide competition as a junior. Phyllis plans to attend Purdue University, Lafayette, in the fall as a French major.

As members in good standing of the National Honor Society, both have displayed qualities of leadership outside as well as inside the classroom through active participation in several extra-curricular endeavors.

The Bishop Noll Warriors began the toughest football schedule in the state with a 6-6 tie with Hammond High. The Warriors scored first on a twisting 26 yard jaunt by Tom Ramirez late in the third quarter only to have the Wildcats match that with a touchdown pass to All-State end John Serbin. Neither team was able to convert successfully.

The Indianapolis Cathedral Irish, led by a small but tough line, edged past Noll 13-6. The Irish, an early season favorite for high state ranking, came out strong in the first half and hung on during the rest of the game despite a third quarter touchdown by Tony Kwiatkowski.

Fred "The Friendly Bear" Miklusak and Bob Michaels, leaders of the Warrior linemen, played a terrific game on a flooded field, but to no avail, as the Gary Roosevelt Panthers defeated Noll 20-6. With the scare 13-6 and only a half minute remaining in the game, a speedy halfback picked off a Noll pass and raced 92 yards for a TD.

Playing a name team for the fourth consecutive time, an inspired *Warrior* team fought a big Kokomo line to an 0-0 tie. The game was marked by a long Noll offensive drive that fell six yards short with thirty seconds left in the game. After the game a Kokomo player asked, "Do you guys always hit that hard?"

The Morton Governors, 1962 state co-champs, were held to a standstill for the first half but played an explosive second half and rolled over the *Warriors* 33-6. The speedy backs could not get started in the first half as Noll played a heads-up defense. The Mortonites, displaying great depth, wore down an injury-riddled Noll team as they scored three touchdowns to win what Coach Zlotnik called "one of our toughest games of the season."

The *Warriors* lost for the third time in a defensive game marked by a St. Joe fumble that led to a Noll TD. The Saint Joseph Indians of South Bend defeated Noll 14-7 as the *Warriors* had numerous chances but could not seem to get going. Jerry Lareau picked up the *Indians* fumble on their 20 and a few minutes later Frank Krajacic scored from four yards out.

Coaches Rose and Scherer

RIGHT TOP: Sometimes they made mistakes. RIGHT BOTTOM: The Wildcats of Hammand High will attest to our prowess on the gridiron.

LEFT TOP: Preparations for a formidable season began in August.
LEFT MIDDLE: Spirit ran high despite the lack of returning lettermen.
LEFT BOTTOM: Our undersized WARRIORS hit hard all season.

The DeLaSalle Meteorites ran into an inspired Noll team that could not be defeated — not on Homecoming night! The Warriors ground out a 33-6 victory with Frank Krajacic and Mike McGill piling up the most yardage. The field was muddy, but the Warrior offense bulldozed through a fighting DeLaSalle team. The game was never in doubt as the Meteorites were never closer than 40 yards to the Noll goal line until a touchdown late in the fourth quarter.

Lody Luck, that most important partner in a winning season, again deserted the Warriors as Whiting eked out a 33-27 victory. There were eleven fumbles in the game. Whiting recovered six and scored on two of them. A blocked punt caused by a fumbled center-snap proved to be too much even for a determined Noll eleven.

Noll completely dominated the field, and the scoreboard told the 28-14 tale. Frank Krajacic and Dan Detzner scored two touchdowns apiece as the Warriors were never headed by an outmanned Thornton Fractional North team as the season closed.

LEFT TOP: One WARRIOR at least can attest to that of the Cats. LEFT BOTTOM: As the season wore on injuries became more and more of a problem.

RIGHT TOP: Though not to be denied, the WARRIOR spirit proved inadequate as they were outmanned . . . RIGHT MIDDLE: and outmaneuvered . . . RIGHT BOTTOM: but not outfought by the champion Governors of Marton.

Varsity Basketball

Although the 1961-62 edition of the Warrior hoopsters lacked size and were often referred to as "Midgies", they were high on spirit and desire to win. The undersized Warriors on almost every occasion fought David and Goliath style battles. They were fast, interesting, and colorful to watch.

A late season 74-73 victory over the well-regarded Irish of Fort Wayne Catholic Central gave indication of the determination of our delegation. The Warriors rallied from a 71-61 deficit in the last three minutes of play with baskets by Ossanna, Allegretti, and Krajacic to send the Irish stunned to the locker room.

The Warriors employed a full court press most of the season.

Sharp-shooting Lowell was befuddled by the press to the tune of 71-49. Hard driving Krajacic was unusually effective that night as the "Midgies" led 29-9 in the early second quarter.

The Warriors pressed to an easy sweep of the Gary Edison Tourney downing Portage and Highland handily. Captain Rich Ossanna led the way with a combined 42 point total.

The standout player of the season was 5' 11" Ossanna whose remarkable shooting and inspiring determination gave the Warriors a number of their victories. Rich's big night was February 3, when he led Noll to an 80-57 conquest of Griffith High School, with a stupendous 36 point output, only 6 points short of the Civic Center record.

Despite the many setbacks Noll suffered, the season must be termed a success. Lacking adequate gym facilities and suffering a serious height disadvantage, Coach Dermody welded an effective unit typical of Noll spirit and excellence.

Homecoming

Cold, rainy weather succeeded in disrupting the good order of the annual Homecoming festivities, held on October 19th and 20th, but failed to dampen the high spirits and general excitement that customarily prevails on such occasions.

The bonfire, traditional resting place of one badly battered opposing player, or reasonable facsimile thereof, was itself destroyed the previous evening, under the "watchful eyes" of several senior guards.

The parade took place on the eve of the game, and could, in fact, be referred to in its plural form. With an estimated one hundred cars participating, not one, but three parades were formed, each canvassing portions of Hammond and nearby East Chicago.

A rain-soaked football field made it necessary to perform the skit in the late, lamented gym. It was presented in the usual satirical vein, and consisted of a well done take-off on the popular "Hose Himenez" recording.

LEFT: The royal couple takes time out to enjoy each other's company.

ABOVE: Chairman of the homecoming committee, "Bunny" Goldsich, bestows further honors in the form of a gift presentation.

Festivities were further highlighted by the WARRIORS' 33-6 win the following evening over De LaSalle of Chicago. The WARRIOR offense featured the strong running of backs Fran Krojocic and Mike McGill, as they took early command and threatened a runaway. Halftime ceremonies included the naming of Nikki Mirenich as Homecoming Queen by Senior Class President Steve Kish. Her court consisted of runner-up candidates Carol Smigla, Kay Whelan, and Kathy McKenna. The De LaSalle marching band, and baton twirlers Julionne Bratko and Mary Ann Jancki, of Bishop Noll, provided further entertainment.

Following the game, Ed Polito, outstanding senior quarterback, was named "Mr. Touchdown," and crowned by Queen Nikki. The two then presided over the Homecoming dance, "October Breeze."

Homecoming activities, 1961, ended climactically to the strains of the Grand March as led by the Royal Couple.

TOP: Candidates Nikki Mirenich, Kathy McKenna, Carol Smigla, and Kay Whelan show no symptoms of dampened spirits, despite their rain-soaked ride on the Queen's float. BOTTOM: royal couple followed by attendants and their escorts lead the Grand March.

Student Retreat

Once again the student body welcomed the opportunity to make a good retreat. Besides the obvious spiritual benefits of a retreat many students have found that this religious activity and the moments it presents for self-examination allows a re-evaluation of their immediate goals at Bishop Nall High School.

The retreat was held at the end of the first quarter this year and not at the end of the first semester as in the past. Another innovation came as Mass was celebrated at 11:30 A.M. instead of the usual 9:00 A.M.; this eliminated the need for serving breakfast and provided additional time for other spiritual functions.

Father McNally, C.S.C., and Father Trepanier, C.S.C., both of Notre Dame, combined wit with spirituality to capture the attention of the students. It is felt that they led many to a more fruitful spiritual life.

Father Thomas McNally, C.S.C. and Father James Tripanier, C.S.C., retreatmasters.

Saint Margaret Mary's was used for the upperclassmen retreat.

The underclassmen make their retreat in the gym.

The joy of making a good retreat is evident on these radiant faces.

Senior Play

The Senior Class play, *The Night of January the Sixteenth*, was a courtroom trial centered around the death of Mr. Faulkner, the former employer of the accused murderess, Karen Andre. Although the play itself was extremely interesting and enjoyable, the fact that certain individuals in the audience were chosen to be members of the jury probably stands out as the most memorable afterthought of the play. Since this jury was free to decide the verdict of guilty or not guilty, there were two complete endings prepared for the decision in either case. The play was staged four times in the Whiting Community Center under the capable direction of Sister Christopher Marie. Lead roles were taken by Vida Kvietkauskas (Karen Andre), Jim Lennertz (District Attorney Flint), Jerry Southard (Defense Attorney Stevens), Kathy Shriebak (Nancy Lee Faulkner), and Jim Thompson (John Graham Whitfield).

"The first thing I did was — turn on the shower."

"I could crush you like a worm."

"One of us is lying and we both know which one."

"Da sinner!"

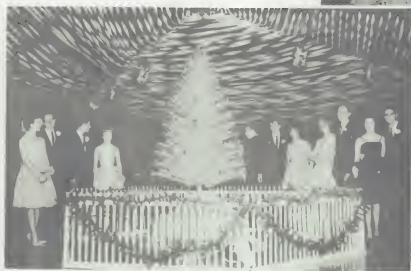

Christmas Program

Christmas 1961 will be remembered for:
Jingle Bells Calypso by the Senior Choral,
Jon Lee's Christmas Medley,
Old Beat Nick,
Freedom Sings at Christmas,
I Wonder As I Wander by the Junior
 Choral,
 The red and white cafeteria tree.

Winter Formal

"Winter Fantasy" heralded the holiday festivities at Bishop Noll with its annual semi-formal dance. It was held Wednesday, December twenty-seven, at St. Stanislaus Hall in East Chicago.

The hall was decorated in a red and white motif with a shimmering nine foot silver aluminum Christmas tree, the center of attraction.

Cookies and holiday punch were served by several sophomore girls. Formal pictures were taken by Mr. Frank Bezan, and music was provided by Michael Golden and his Orchestra. The dance was sponsored by the Student Council; the chairman was Dan Medrea.

Faculty Monogram Game

The annual Faculty - Monogram game held at St. John the Baptist in Whiting saw the "Fearless Faculty" emerge victorious over the "Mighty Monogram" by a score of 55 to 48.

The sharp shooting of faculty stalwarts Dermody, Scherer, and Bradtke complemented by the aggressive floor play of Rose and Burkhart in the opening minutes left no doubt as to the eventual winner.

A modest rally early in the second half by Monogram players Medrea, Clune, Kovach, Strnatka, Kozubal and Filkowski provided little more than disappointment as it fell distressingly short.

Faculty reserve stars Biel, Demeduk, Goyert, Lukac, Mattingly, Letko, and Dominik saw limited action but proved instrumental in preserving the victory.

Operetta

Described as a "good-humored, tuneful, and affectionate valentine to the innocence and high spirits of the Charleston, cloche hat and short skirt days," Sandy Wilson's *The Boy-friend*, enjoyed a four day sellout run at the Whiting Community Center on May 5, 6, 12 and 13.

Turnabout

"Sweetheart Serenade" was the theme of this year's Service Club turnabout held at Saint Thomas More Hall on the evening of February twenty-fifth.

This is the only such event of the school year which provides the girls the opportunity to select their own escort. The success of the dance indicates that they made good use of this rare opportunity.

The hall was decorated in a multi-colored motif of red, pink and white. Cookies and strawberry punch were served by a staff of sophomore girls. Music for the evening was provided by the Michael Golden Orchestra.

Chairman of the dance was Patricia Sampias who was assisted by a committee composed of the following: Jeanette Rusbasan, entertainment; Nikki Mirenich and Marian Bertram, decorations; Carol Jurasevich, bids; Lee Ann Bires, refreshments; Kathy Shriebak, chaperones.

 With carsage, and much becurled,

National Honor Society

Bishop Noll High is proud of its Maryknoll chapter of the National Honor Society established in 1948. Under the direction of Sister Christopher Marie the society has had one of its most successful years.

The main purpose of the society is stated in its constitution, "... to create an enthusiasm for scholarship, to stimulate leadership and to develop character in the students of Bishop Noll." It is on these points, scholarship, service, leadership and charac-

er that a student is accepted as a member. To qualify scholastically a student must rank in the upper third of his class. Fifteen percent of the Juniors and Seniors may be admitted to membership. Underclassmen may be given probationary status.

Each year the chapter gives two scholarships to outstanding grammar school graduates. For the first time, this year a college scholarship will be offered to a worthy Bishop Noll Senior.

Among its activities this year were the Paperback Book Fair, which was an outstanding success, a Great Books Discussion Group open to all members, and the annual Honor Society Tea. The Fashion Show and Talent Show are activities of this society also.

"For those who love God, all things work together unto good." This is the central theme or idea upon which the Young Christian Students (Y.C.S.) is based.

This organization is the fulfillment of the Popes' pleas to promote leadership among the lay people in the Church; it has a twofold purpose: 1) to form Christian leaders and 2) to Christianize society.

The Y.C.S. at Bishop Noll, which is sponsored by Sister Vincent Ferrer, has undertaken several projects such as, the promotion of school spirit, the donation of encyclicals to the library, and the encouragement of "thought" through the method of social inquiry.

The prayer of St. Augustine, and that of all Y.C.S. members asks for Divine aid in acquiring "the serenity to accept the things I cannot change, and the ability to change the things that can be changed, with the wisdom to know the difference."

The Y.C.S. promotes and provides for co-operation and love among students at home, in the parish, and particularly in school.

Founded for the purpose of aiding Catholic propagation throughout the world, the Bishop Noll High School unit of the Catholic Students Mission Crusade has made great strides this year under the devoted direction of Sister Vincent Ferrer. Constantly carrying on programs within the high school to collect such necessary items as Catholic periodicals, clothing, and the like, the C.S.M.C. is responsible for "mission mindedness" among our student body.

Highly competitive mission collections are held each week in the homerooms, and these along with the C.S.M.C. sponsored dance raise the funds which are distributed to home and foreign missions. The club also sponsors the May Crowning, and catechetical work in various parishes. In the summer of 1961, it was responsible for sending its own junior peace corps to the slums in Mexico City.

Student Council

The main function of this student representative group is to channel communication and promote understanding between the student body and the faculty. The body is composed of officers chosen in a school-wide election. Remaining members represent either their respective homerooms or clubs.

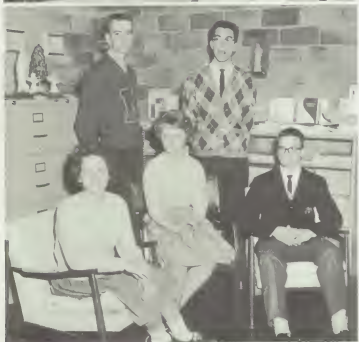

Two of the most noteworthy social events of the year, the Winter Formal and the Spring Dance, are activities of the Council. Also under its sponsorship are the annual Field Day and Dress Right Day. The promotion of attendance at athletic events has also been an objective this year.

In restoring the council to its position as a vital force throughout the school, President Ray Makowski, in collaboration with sponsor Fr. Sedlak, has enacted a new constitution — one that further serves to accomplish the Council's ever present goal of co-operation among faculty and students.

R. Makowski, president; W. Zoladz, treasurer; N. Mirenich, secretary; L. Galdasich, vice-president; S. Kish, senior class president.

National Forensic League

Though a relative newcomer to our campus, having been founded in 1957 by Sister Joseph Francis, the National Forensic League has enjoyed marked success in its attempts to organize speech and debate activities among the students throughout the school. Interested students may compete in contests and in this way develop their speaking abilities.

The enthusiasm displayed by Miss Kathleen O'Connor in this her first year as advisor has "led the league" through a successful year, as well as gained for it a position of greater prominence in campus activities.

As a member of the Indiana High School Forensic Association and the Calumet Forensic League the Bishop Nall chapter participates in speech meets throughout the year at various high schools. In December the members attend the Indiana High School Debate Conference and Legislative Assembly at Purdue University.

Marquette

Staff

The Marquette, largest and most dynamic of all student undertakings here at Noll, is, appropriately enough, the responsibility of the Marquette Staff. Its members, selected from among the most creative throughout the school, represent the junior as well as senior class.

Established in 1935, under the sponsorship of Sr. M. Victorine, the Marquette has, in addition to Sister's own efforts, been ably directed by the Rev. Frank Seimetz, and more recently by Mr. Ronald Partyka. The name Marquette honors the memory of Father Jacques Marquette and his fruitful missionary work throughout this area.

In this his first year as yearbook advisor, Mr. Partyka has, expressed a desire to produce a yearbook unique in style and design. In this respect, he and his staff have been successful, instituting several innovations in an attempt to construct an interesting as well as informative Marquette.

Warrior Staff

The *Warrior*, student newspaper published monthly under the supervision of Sr. M. Georgia C.S.C., is a member of the C.S.P.A. and N.S.P.A. This year the *Warrior* has been voted All-Catholic, the first such distinction ever awarded the newspaper in its long history.

Originating as a one page mimeographed sheet published infrequently by an eager group of young journalists, it has grown to a four to six page publication and is printed professionally.

Staff members gain experience throughout most of their junior year. After absorbing various journalistic styles and techniques as well as a good deal of practical knowledge, they graduate to positions of greater responsibility on the staff.

The *Warrior* is a non-profit organization deriving printing funds and the like from an activity fee paid by all students at September registration.

Quill and Scroll

A nationally recognized honorary society, the Quill and Scroll Society is composed of active members of school publications staffs, and is similar, in the field of Journalism, to the National Honor Society.

Originally established here at Noll in 1946 under the sponsorship of Sister M. Victorine, the Quill and Scroll Society endured until 1954, when a general lack of activity forced its discontinuation. The Writer's Club has successfully functioned in its place in recent years.

Reinstatement of the Bishop Noll chapter of the Quill and Scroll comes under the joint sponsorship of Sister M. Georgia and Mr. Ronald Partyka, faculty advisors of the Warrior and Marquette staffs, respectively.

While organizational activities occupied most of the school year, the society carried on two noteworthy activities. At the January initiation Mrs. Frank Stodola, a Noll graduate, journalist and wife of a local judge, gave the main address. A tour of a Chicago newspaper plant was a February activity of the group.

Co-sponsors, Mr. Partyka and officers V. Valosina and K. Gaday.

Pythagorean Society

The Pythagorean Society, founded by the members of the Class of 1964, under the leadership of John Crnich, is an organization which aims to promote interest, creative activity, and a spirit of intellectual adventure among the students who are gifted in mathematics.

The members propose to accomplish these objectives through the use of lectures, films, demonstrations, field trips, geometrical tournaments, and the establishment of a mathematical reading library.

During the year the new IBM Mathematical Display at the Museum of Science and Industry was visited, two tournaments were hosted, and Walt Disney's intriguing "Mathamagica" was viewed. Demonstrations of Rubber Sheet Geometry, including Moeius's strips, mirror reflections and measurements, as well as the various proofs for the Pythagorean Theorem, were held in the cafeteria. During the course of the year a complete set of the Webster Modern Mathematics Books were acquired. At least ten other publications are on order.

Band

Mr. Demeduk, directing the Bishop Noll High School Band for the second season, began an expansion program during the summer of 1961. The band appeared at pep sessions and football games and was most impressive in its rendition of the *March of the Toys* in the Christmas program.

When seemingly bound for one of its most successful seasons in many years, the band suffered the loss of instruments, music, and practice room in the tragic gymnasium fire of the past winter.

A spring concert is, however, tentatively scheduled should the necessary instruments and music be secured. This sort of determination in the face of such overwhelming complications insures the success of our band program not only this year but also in the years to come.

French Club

To study the culture of France through its art, literature and music and to promote a better relationship toward fellow students abroad is the goal of the French Club.

Founded in 1935 by Sister Mary Berenice, C. S. C., the club now consists of almost one hundred French II students.

The club has enjoyed unusual success in recent years under the direction of Sister Miriam Edward their energetic and resourceful moderator.

The annual French program which brings a bit of "gay Paree" to the campus is always a highlight of the school year. A French dinner, with of course a French speaker, was sponsored by the group this year. Students from nine area high schools attended as guests.

Medical Careers Club

The aim of the Medical Careers Club consists in providing information relative to medical careers. Firsthand knowledge of the necessary training during high school and after, of the cost of such training, and of available job opportunities is imparted by speakers experienced in the field of medicine.

Originally instituted for the benefit of future nurses only, the club has, under the sponsorship of Sister M. Victor, been reorganized to include all aspects of medical work. The membership has also been revised to include sophomores as well as juniors and seniors.

Latin Club

Sister M. Victorine, co-sponsor

Open to those students who are interested in advanced Latin, the Latin club promotes interest in the cultural aspects of the language. This is largely accomplished through a greater knowledge of the life and customs of the people who spoke the language. The activities of the club are geared to this purpose. They include the Roman Banquet, highlighted by the Toga Fashion Show, and a Day on the Forum.

Under the direction of the Language Department, of which Father Sedlok is chairman, the Latin club is moderated by Sister M. Victorine and Mrs. Kelly. The club's growing membership and increased activity give indication of their capable leadership.

Knights of the Altar

Sister M. Francis de Soles, sponsor.

Founded over five years ago by Sister Francis de Sales, its current sponsor, the Knights of the Altar serve their God, their faculty, and fellow students in a most special way by assisting at the Holy Sacrifice of the Mass and at Benediction.

Membership in the group is open to any boy who has a desire to serve.

In the past years, as this year, boys belonging to this organization serve at all the religious functions of the school. The Knights serve at daily Mass offered at Saint Margaret Mary's Church on the school campus.

Each of us here at Bishop Noll owes this group and its devoted sponsor many thanks for their efforts to make our school year a pleasant and profitable one.

By- Phy- Chem

The Bi-Phy-Chem Science Club, sponsored by Mr. Thomas Burkhardt, is an organization open to students who merit at least a "B" in biology, physics, or chemistry. The purpose of the club is to provide the members with an opportunity for further study in the sciences.

The organization has been established at Noll for many years, and each year grows larger in membership and accomplishments.

The main event of the year is the annual Science Fair, held in March, in which the individual efforts of the members, or of any student with an interest in science, are displayed. Awards are given the three projects judged best in each division (biology, physics, and chemistry).

Unfortunately, due to the loss of the gymnasium, it was impossible to hold the Science Fair this year. Many students however, prepared projects and displayed them in their individual classrooms.

In the past the group has visited the Museum of Science and Industry and the Field Museum of Natural History in Chicago. These trips provide not only an interesting day for the members, but also help them to further broaden their scientific interests and to gain educational material for discussion.

Senior Choral Club

Mr. G. Demeduk, director

The aim of the Choral Club, according to Mr. Demeduk, its director, is not only to teach music but also to teach students to co-operate as they must while working together in later life.

The club is certainly one of the most active organizations at Bishop Noll, participating this year in such performances as the French Club Show, the Christmas Program, and the testimonial for Father Seimetz. The highlight of the year is, however, the annual operetta. This year *The Boyfriend*, a witty, stylish, cartoon of the Jazz Age, was chosen for presentation. The story is a light romance, set on the French Riviera in the year 1926. Polly, a millionaire's daughter, while attending Mme. Dubonet's finishing school, meets and falls in love with Tony, a delivery boy. Hoping to hold his interest, Polly masquerades as a working girl, only to discover that Tony, too, is concealing his identity, and that in reality he is the son of Lord Brockhurst. Adverse

circumstances, due largely to the gym fire, made it necessary to hold rehearsals at the Elk's Ballroom in East Chicago, and further complicated production. It is interesting to note that operettas are a tradition at Noll having been presented for many successive years. *Sweethearts* by Victor Herbert and *Brigadoon* by Lerner and Loewe were tremendous successes in recent years.

Membership in the Choral Club is by audition. These auditions are open to students late in their sophomore year. This year a Freshman and Sophomore Chorus was organized, but had to be dropped in the face of complications caused by the loss of practice facilities. With new facilities soon to become a reality, Mr. Demeduk intends to re-form this chorus sometime in the immediate future.

Service Club

The Service Club is composed of senior girls who serve the faculty their lunch and act as hostesses and usherettes at various school social functions.

Father Junk saw the need for such an organization and was its first director. In 1956 Mrs. Devlin was appointed faculty advisor for this group. Under her capable and enthusiastic direction the Service Club has increased its efficiency and broadened its responsibilities each year.

The Valentine Turnabout, one of the memorable dances each school year, properly comes under the capable direction of these girls.

In spite of these numerous activities the members find time to take a day off each spring for a field trip to Chicago. The day includes a movie or play and dinner in a downtown restaurant.

Monitors

In a school the size and population of Bishop Noll High School, an effective monitoring system contributes a great deal to the good order of the activity in the school and outside the classrooms.

Duties of the monitor include directing visitors to the office, inspecting students' passes, enforcing silence in the corridors, regulating student traffic to and from the cafeteria, as well as checking students' lockers.

Those circumstances peculiar to our school, such as overcrowding, particularly after the gym fire, have compounded the tasks of our monitors.

They have however, under the direction of Sister M. Vincent Ferrer, been largely successful in fulfilling the duties as mentioned above.

Monogram

Club

The Monogram Club, under the direction of Mr. Quinn, is made up of those students who have won letters in sports and who have promised to live up to the standards set by the club. Every member must stay in top physical condition, abstain from smoking and drinking, get proper rest, and above all uphold the honor of the school.

Throughout the year the Monogram Club encourages participation in athletic activities and promotes attendance at athletic events. The members also usher at basketball games and conduct the annual Field Day in May.

Tri- Opus

The Tri-Opus, organized here at Noll in 1940 by Sister M. Holy Innocents, has in recent years continued to flourish under the direction of Sister Alice Marie. It has as its fundamental purpose improvement in the commercial subjects: shorthand, typing, bookkeeping and office practice. Students must demonstrate excellence in these courses in order to qualify for membership.

Membership in this organization further provides valuable preparation for a career in the commercial field.

Booster Club

Introduced to Bishop Noll High School in 1949 by Miss Walsh, the Booster Club has been a tremendous force in promoting school spirit and unity.

Under the direction of Father Casey, the club has enjoyed continued growth and now functions at away as well as at home games.

The spirited and coordinated cheering displayed during the sectionals distinguishes our Booster Club as one of the finest anywhere.
